

VOLUNTEER OPPORTUNITIES!

Durham offers a wide variety of activities beyond that which goes on in the class room. Each of these activities give students the opportunity to interact, learn, and develop skills. We consider these opportunities part of the extended curriculum of the school and our staff is extensively involved in them. From time to time we also need additional help. Please indicate below ways in which you would be able to help with some of our additional activities:

___ Drivers for sporting events or class trips. Some school teams play during the school day and others after school. Occasionally, we have Saturday tournaments. Class trips are usually during the school day.

_____ For the Grade Ten Service Education Week from October 18,19, 20 & 21 we need three people to serve as small group leaders.

___ For the luncheon for Seniors Day held on November 9th.

___ For the Student Parliament banquet and Christmas luncheon we need food preparation people. Student Parliament also needs volunteers to assist with the supervision of school dances.

___ Organization of the *Dessert Social* for grade eight students and their parents on November 17th.

___ Library Assistants who can assist with cataloguing books and other library tasks.

___ Assisting the Building and Grounds Committee with building repairs and improvements. One or two "Work Days" will be scheduled to tackle the necessary minor repairs.

___ Providing clerical assistance in the office on occasions when we need help for a major project.

___ The board has a number of standing committees including: Program, Development/Promotions, Building and Grounds, and Finance. If you have interest in serving on one of these committee, place a check by this column and underline the committees for which you would like to be considered as the need arises.

___ Working with students that benefit from individual assistance as a supplement to class room instruction. This occurs during the school day.

_____ Working with computer development projects.

___ Parent Prayer Team.

_____ Assisting with the administration of the Literacy Test on March 29, 2012.

Your Name: _____

**** Please hand this in at the Dedication Evening on Wednesday August 31st or to the office in the first week of school.
Thank you!**
