

Workday 2009

Monday April 20th is scheduled as our fourth annual “workday”. While your teachers will be busy at a professional development day, you are expected to be “gainfully” employed enabling you to contribute **forty dollars** to one of the causes listed below.

The causes listed have been arrived at by Student Parliament. You are asked to designate one cause to receive the money you raised **or** you may choose to evenly divide the money between two causes. Money will be collected at and distributed from the office. Anything you earn beyond the forty dollars you may choose to donate or keep. Twenty dollars from each grade eleven student will go toward graduation costs.

- Pregnancy Help Center (ministry for single moms)**
- St. Vincent’s Kitchen (meal program for the homeless and poor)**
- Gazebo in memory of Geoffrey Dykstra**
- Computer tech needs at Durham**
- Graduation (grade 11 only)**

Suggestions and Workday Ideas:

First, tell people what you are raising money for and they will often gladly help out. People think it’s great when you are raising money for a good cause. Make sure you identify yourself and the school through which you are doing this.

1. Spring clean-up work for someone in your neighborhood.
2. Someone for whom you already work.
3. Last year many students were able to find jobs that needed more than one person. It’s more fun that way. Don’t hesitate to ask if they need more than one person.
4. Consider doing volunteer work for a needy family or social service agency and finding someone to sponsor you.
5. We have advertised workday and will be able to help you find something if you have difficulty finding a placement. Ask your home room teacher or at the office.
