The office maintains a ledger sheet for each student detailing amounts owing. Certain curricular related amounts will automatically be added to the student's ledger. To permit your child/ren to add fees for **optional** activities to their ledger, we need parental approval. For a list of possible ledger fees including optional items please see pages 9 and 10 of the Parent Handbook. Without this note of approval, students will be required to pay cash for fees related to optional activities. Return this form to the office by September 10, 2010.
